CPW*plus* *Weighing Scales*

CPW*plus* bench and floor scales provide exceptional value and numerous features to meet the demands of industrial, warehouse, office, field and laboratory settings. This series of scales offers an extensive range of models and configurations to accommodate a variety of applications. Choose the basic CPW*plus* for compact portability, the CPW*plus*-P version with pillar mounted display, the CPW*plus*-M or CPW*plus*-L for large platforms, or the CPW*plus*-W with handlebars and wheels. Simple operation, a selection of stainless steel platform sizes, battery and AC operation, and rugged construction all combine to make the CPW*plus* truly a great value in this industrial range.

CPWplus Weighing Scales

Features

- Vivid, backlit LCD easily visible in any lighting conditions
- Programmable backlight can be set to "always on", "always off" or "light only when weighing"
- Color-coded keys facilitate quick recognition of the most frequently used buttons
- Large, type 304 stainless steel pan allows swift cleaning
- Lightweight design simplifies transport and portability
- Rugged construction stands up to industrial use
- Splash-proof housing, keypad and display mean easy cleaning and peace of mind
- Wall-mount bracket for placing indicator on vertical surface
- Auto power-off to save energy
- External calibration allows for verification and adjustment with weights
- Hold function freezes the displayed weight, allowing time to lapse without losing the result
- Selectable digital filtering helps minimize effects of vibration and disturbances
- Zero-tracking feature ensures display returns to zero reading

Applications

- Weighing
- Display hold
