

WBZ *Washdown Retail Scales*

WBZ is ideally suited for food preparation, packaging plants, and agriculture facilities. NTEP approval makes the WBZ series the right choice for retail applications such as farmers' markets or ice cream shops. WBZ features a stainless steel pan and IP66-rated washdown housing for protection against dust and water. The large backlit display shows weight, price per unit and total cost. For complete portability, the WBZ operates with an AC adapter or rechargeable battery pack.

WBZ Washdown Retail Scales

Features

- Vivid, backlit LCD easily visible in any lighting conditions
- Rear display mounted on a pillar or back of the scale lets customers see key data
- Backlit LCD shows weight, unit price and total price, to provide all key information simultaneously
- Color-coded keys facilitate quick recognition of the most frequently used buttons
- Heavy-duty rubber feet ensure stability of unit
- Large, type 304 stainless steel pan allows swift cleaning
- Overload protection helps prevent damage to internal components
- Sealed keypad protects against dirt and accidental spills
- Solid ABS housing is durable for industrial uses
- External calibration allows for verification and adjustment with weights

- Preset tare function speeds the process of repetitive weighing
- Price displayed in choice of available currencies
- Security password control prevents unauthorized access
- Selectable auto-clear function enables the last item to be reset each time the scale returns to zero
- Switchable between price per kg and price per 100g or price per lb
- Zero-tracking feature ensures display returns to zero reading
- IP66 rated for protection against water and dust
- AC adapter included
- Rechargeable battery included for operation virtually anywhere
- Programmable auto power-off to save energy

Applications

- Weighing
- Price computing
